

**Dr Goran Bodegård frá Svíþjóð.
All - rounder.**

First dog - a deerhound champion – when I was 12 – Teen age summers working in kennels in England learning the basic dog “know how”. Bred deerhounds in the beginning of the sixties but from 1966 breeding and co bred nine generations of show greyhounds which have had an important world wide influence.

Judging since 1966 – all over the world – Great judging assignments: Eukanuba AKC show, repeatedly Crufts, Tokyo Int FCI, Eurasia, FCI World Shows National sighthound specialities all over Europe – and in the USA, Canada and England. Last years BIS Hound speciality in New Jersey, all breed shows in New Zealand and Australia, The FALAPA in France, Saluki club speciality and the Hound Classic in California, all breed shows in Norway and Denmark, the European FCI show Dublin, Blackpool CC show, Crufts, Southern Counties, the Greyhound Club of America Speciality 2010. 2012 BIS at Sydney Royal. Member of the central board of the Swedish Kennel Club; chairman of the Breed Spec Instr Committee and responsible for the SKK project of securing and repairing pedigree dogs from development of unhealthy and unsoundness due to type exaggerations awarded at shows and preferred by breeders.
