

## Nina Karlsdottir

My dog-history started when I was young. In my family we had Tibetan spaniel and Miniature Pinscher. My interest in schnauzers started when I bought a Giant Schnauzer male 1972 and a year later we also had a bitch in the house. My clever breeders persuaded me to show my dogs. Both became champions and my dog-interest intensified.

1975 I bought my first Miniature Schnauzer, a salt and pepper male from USA. He was excellent and did a lot of winning; he was once BIS in a big specially show.

1975 I also had my first litter of Giant Schnauzer and some of the puppies grew up to be very good dogs and a couple of them even became champions.

1978 I bought two black "minis" from USA, a male and a bitch. They were both excellent dogs and the male was also doing a lot of winning and he very often was BOB over all other colors, very unusual at the time. This black dog proved himself to be a very successful stud-dog too. Some years later I had two other black "minis" from USA. They also were excellent dogs, especially the bitch this time - with BIS-placing at international show.

In the eighties I bought some dogs from England, black and black and silver and a few years ago I had a white bitch from Hungary so today I have Miniature Schnauzers in all four colors in my kennel. I started breeding Miniature Schnauzers 1978 and I have been lucky enough to say that my breeding has produced a lot of champions and so far I have been saved from serious problems.

My kennel prefix is Impact's.

From the eighties I also have some experience of showing, grooming and breeding Border Terrier and Irish Terrier.

I am a licensed FCI judge since 1987 and since 2006 authorized for all breeds as FCI all-rounder. I have had the privilege to judge in all Scandinavian countries including Island and in Russia, Latvia, Estonia, Lithuania, Belgium, Holland, Germany, Slovenia, Croatia, Italy, Spain, Portugal, Greece, Ireland, England, Australia, Canada, USA, Thailand and Japan.

I have for many years been a member of different committees like National Kennel clubs and the Giant schnauzer club and I have been the chairman of the Swedish Schnauzer-Pinscher club for 10 years. For all that I have been honored with the Swedish Kennel Clubs badge for merit.

At the present I am a member of the Swedish Kennel Clubs judges committee.
