

Per Kr Andersen

I have had dogs for about 45 years, originally German Shepards.

I did Toboggan racing, obedience, avalanche/rescue dog training for a start. Later I started breeding Leonberger and Norwich Terrier under the prefix: "Terr-Leon's".

I was authorized for my first breed in 1993, now I am judging group 1, 2, 3, 5 and 8. I have as well breeds in group 6 and 9. I am judging generally all these breeds on approximately 25 shows per year, but I feel that I am often asked to judge breeds in group 2, 3 and 8.

I have been into dog organisations, first as board member in the Norwegian Rescue Dog Association. I founded the Norwegian Leonberger Club and was their first chairman and am an honorary member of the club. I am presently vice president of the International Leonberger Union and board member of the Norwegian organization for authorized judges.

Since 1999 and 10 years onwards I was vice president of the Norwegian Kennel Club and have been chairman of Norwegian Kennel Club Organising Committee.
