From the Danish Kennel Klub Magazine, HUNDEN:

In November 2004 the board of the Danish Kennel Klub honoured Kitty with the Honour pin in gold for her prominent breeding of Papillons and Phalenes, as she has had since she got the first Papillon in 1977 as a present. Under the prefix “Inkie” up to that time 38 champions has been made up as a result of Kitty's good eye for the breeding. In addition to the little lively Papillons the family also have had Belgian Tervueren, which shows the wide of the interest in the dogs.

There has been time to do a good job in other part of the Dog Sport, as a member of the board in the Kennel Klub's district 1, member and chairman for the Danish Papillon Klub and as judge for several breeds in the FCI Groups 1, 2, 3 ,5, 8, 9 and 10.

The Danish Kennel Klub Congrats.
